

# Afro Latinas

For my Afro-Latinas. We got the dark skin  
The only thing that separates us, is a stop on a slave  
ship

Yeah the rhythm in your veins, is rhythm in my veins  
Our rhythm is the same.  
La sangre tu your veins is sangre in my veins  
Our sangre is the same

Tenamos Alma- We got soul  
Queen Celia said, Life is a carnival  
Tenamos Alma – We got soul  
Youruba, Igbo, spread to the Americas boats  
In Lak'ech - You are the other me  
When we look in the mirror we see the same thing  
Melanin poppin, poppin , skin so clean  
Shining, glowing, Nubian, dark skin white teeth

For my Afro-Latinas We got the dark skin  
The only thing that separates us, is a stop on a slave  
ship  
Yeah the rhythm in your veins is rhythm in my veins  
Our rhythm is the same  
La sangre tu your veins is sangre in my veins  
Our sangre is the same!

Every place I go I'm visiting the city that has emphasis  
Of melanin living in like millions of Brazilians  
In Bolivia its Yunga, Cristibal in Panama  
Peru, Yaputero where I can get my dancing on,  
In Belize I'm in Dangrigo y El Cayo  
Or I feel the breeze dancing on the playa  
Costa Rica, Guanacaste. Venezuela, Caradobo  
Honduras, Bay Island. Nicaragua, Orinoco  
Atlanta and Watts and Havana are the same  
Santa Domino and Detroit are the same  
San Juan, Cleveland and Oakland are the same  
Rio de Janeiro looks like Howard to me  
Your Abuela looks like Big Mamma to me  
Cumbia and Bachata sounds like afro beats  
Two stepping or salsa both moves the feet.

This is for my Afro-Latinas who got the dark skin  
Don't ever let them separate you  
From your country of origin  
Yeah the Beauty in your veins is Beauty in their  
veins  
Y'all beauty is the same  
The sangre in your veins is sangre in their veins  
The sangre is the same

When you think of the coconut  
You only think of the white  
But the brown shell is the same as the meat that's  
inside

Colorism has its reach on every coast a  
Hatred of skin got some bleaching like Sosa  
White skin doesn't make you Latino  
La unica raza de piel blanca son los gingos  
Negrita & Mestiso es los mismo  
Blanco y Miskito es los mismo  
Moreno y pardo es los mismo  
Moro y Javao, Es los mismo

It's all the same all the same, all the same  
The only difference is in your brain, in your brain  
Black skin don't mean dirty or poor its gold  
Rich in melanin, rich in rhythm and soul
