Zoot Suit Riot! (3x)

Zoot Suit Riot – Hispanophobia!

Once upon a time in the city of angels

A vicious gang terrorized the hood

They had beef with a group that hanged in
the places where you dance 'cus the music was
good

They rode on their enemies like they were Pac

They were armed but not one bullet was shot

They beat those guys down here's a twist you won't
like

The victims were brown and the gang was white

Zoot Suit Riot

Zoot Suit Riot – Hispanophobia!

The President says Mexicans are thugs

But white men beat Mexicans with clubs

All 'cus they were wearing a suit,

Pachucas wearing the zoot

They were called baby gangsters

Every night on the news

They weren't violent that racist profiling aint true

They were just kids being cool

Enjoying life with their crew

Until navy left base and punches they threw

Look at our troops

White guys beating brown black and blue

Zoot Suit Riot!

Zoot Suit Riot – Hispanophobia!

"Where were the cops?" You already know,
Right there looking on enjoying the show
They even acted as taxis, the navy seamen they
drove

to find pacuchos, they even helped and pulled
them from shows

Brought them on stage and light fire to clothes,
Stripped them down

And peed on the clothes that they wore

The Vengeance squad

Was the name that the police chose

Boys in blue

stomping brown black and blue with their soles

Zoot Suit Riot!

Zoot Suit Riot – Hispanophobia!

This aint the only time this happened

Do you know Bear Flag Revolt

Americans wanted Cali

So they picked a fight that started war

Then they made a flag with a bear

And said this aint your land no more

Just like that they claimed the land took it from
Mexico

In East LA, the battle of Chavez Ravine

Before Dodger Stadium Chicanos lived peacefully

But the city wanted the stadium done they called

Mexican home's slums

They force them out and tore them down

Justice wasn't made for brown

Bisbee deportation!

Bear Flag revolt!

Mexican Repatriation!

Porvenir Massacre!

Texas Revolution!

Chavez Ravine!

Chandler Roundup

Operation Wetback
